Appeals against internal assessment decisions (centre assessed marks)

This procedure confirms George Stephenson High School's compliance with JCQ's General Regulations for Approved Centres 2022 - 2023, section 5.8 that the centre has in place **“a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates”** and that the centre **“must inform candidates of their centre assessed marks as a candidate is allowed to request a review of the centre's marking before marks are submitted to the awarding body.”**

Certain components of GCSE and GCE qualifications that contribute to the final grade of the qualification are internally assessed (marked) by the subject teacher. The marks awarded are then submitted to the awarding body by the deadline date.

George Stephenson High School is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. George Stephenson High School is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of his/her work, or that the assessor has not properly applied the mark scheme to his/her marking, then he/she may make use of this appeals procedure to consider whether to request a review of the centre's marking.

1. Curriculum Leaders will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking **before** marks are submitted to the awarding body.
2. Curriculum Leaders will inform candidates that they may request copies of materials (i.e. a copy of their marked work, specification, mark scheme and any other specific documents) to assist them in considering whether to request a review of the centre's marking of the assessment.
3. Curriculum Leaders will, having received a request for copies of materials, promptly make them available to the candidate within 3 working days.
4. George Stephenson High School will provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision.

5. Requests for reviews of marking **must** be made in writing within 7 calendar days of receiving copies of the requested materials. The Internal Appeals Procedure must be followed and the Internal Appeals Form completed.
6. George Stephenson High School will allow 7 calendar days for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline.
7. George Stephenson High School will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review. The reviewer will be instructed to ensure that the candidate's mark is consistent with the standard set by the centre.
8. The candidate will be informed in writing of the outcome of the review of the centre's marking.
9. The outcome of the review of the centre's marking will be made known to the head of centre and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request. Should the review of the centre's marking bring any irregularity in procedures to light, the awarding body will be informed immediately.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. This process is outside of our control and is not covered by this procedure.

Enquiry about Results

If the centre or a candidate has a concern and believes a result may not be accurate, an enquiry about the result may be requested. There are 3 services to choose from.

- ▶ Service 1 – clerical re-check
- ▶ Service 2 – review of marking
- ▶ Service 3 – review of moderation (this service is not available to an individual candidate)

Written candidate consent (informed consent via candidate email is acceptable) is required in all cases before a request for an EAR service 1 or 2 is submitted to the awarding body as with these services candidates' marks and subject grades may be lowered. Candidate consent can only be collected **after** the publication of results.

If a concern is raised about a particular examination result, the appropriate member of staff will investigate the feasibility of requesting an enquiry supported by the centre.

Where the centre does not uphold a request from a candidate, the candidate may pay the appropriate EAR fee to the centre, and a request will be made on the candidate's behalf.

If the candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision not to support an enquiry, an internal appeal can be submitted to the centre by completing the internal appeals form.

Following the EAR outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal. The JCQ publications *Post-Results Services* and *JCQ Appeals Booklet* will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the EAR outcome, but the candidate (or his/her parent/carer) believes there are grounds for a preliminary appeal to the awarding body, a further internal appeal may be made to the head of centre. Following this, the head of centre's decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the *JCQ Appeals Booklet*. **Candidates or parents/carers are not permitted to make direct representations to an awarding body.**
