High School

Malpractice and Maladministration Policy

Summer 2022

Purpose of the Policy

This policy addresses malpractice and maladministration under the specific arrangements for delivery in **Summer 2022**. All staff involved have been made aware of this policy.

Malpractice refers to any deliberate act or practice which compromises, or threatens to compromise the process and integrity of assessment, and as a result the validity of the result or certificate awarded.

Assessment processes and outcomes can also be put at risk through maladministration; whilst malpractice is a deliberate act, maladministration may be accidental or a result of incompetence or a simple mistake.

General Principles

In accordance with JCQ regulations George Stephenson High School will:

- take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after the determination of grades process
- inform the awarding body immediately of any alleged, suspected or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, by completing the appropriate documentation, including:
 - the [JCQ M1 form](#) in a case of suspected candidate malpractice
 - the [JCQ M2 form](#) in a case of suspected malpractice/maladministration involving a member of centre staff
- as required by an awarding body, investigate any instances of alleged or suspected malpractice (which includes maladministration) in accordance with the JCQ publication [JCQ Suspected Malpractice: Policies and Procedures 2021-2022](#) and provide such information and advice as the awarding body may reasonably require

Reporting Malpractice

Failing to report an instance of suspected malpractice in examinations or assessments to the appropriate awarding body as soon as possible after such an instance occurs, or is discovered **is in itself malpractice**

Candidates

In accordance with [JCQ Guidance on the determination of grades for A/AS Levels and GCSEs for Summer 2022](#) each candidate will be made aware of the evidence that is going to be used and understand that the range of evidence used to determine a grade is not negotiable.

Where a candidate might attempt to gain an unfair advantage during the centre's process on the determination of grades by, for example, submitting fabricated evidence or plagiarised work, or any other act deemed as malpractice in the [JCQ Suspected Malpractice: Policies and Procedures 2021-2022](#), George Stephenson High School will submit a report of suspected candidate malpractice to the relevant awarding body.

Where a candidate, or an individual acting their behalf such as a parent/carer, might try to influence grade decisions by applying pressure to the centre or any of its staff we will keep and retain clear and reliable records of the circumstances and the steps taken, and make the candidate aware of the outcome. This will include a record that confirms the candidate had been made aware of the evidence that was going to be used and understand that the range of evidence used to determine a grade was not negotiable.

However, if a candidate or an individual acting on their behalf continues to inappropriately attempt to pressure centre staff, a report of suspected candidate malpractice will be submitted to the relevant awarding body.

A report will be submitted by completing the appropriate documentation as guided by the individual awarding body concerned, including the form [JCQ M1 Report of suspected candidate malpractice](#).

- This form must be used by the head of the centre to notify the appropriate awarding body of an instance of suspected candidate malpractice in the conduct of examinations or assessments
- It can also be used to provide a report on investigations into instances of suspected malpractice
- In order to prevent the issue of erroneous results and certificates, it is essential that the awarding body concerned is notified immediately of instances of suspected candidate malpractice

Centre staff

George Stephenson High School will report any instances of potential malpractice (which includes maladministration) where any centre staff fail to follow the published requirements for determining grades.

Examples of potential malpractice taken from the [JCQ Guidance on the determination of grades for A/AS Levels and GCSEs for Summer 2021](#) includes but is not limited to:

- Exam entries are created for students who had not studied the course of entry or had not intended to enter for June 2021
- Grades created for students who have not been taught sufficient content to provide the basis for that grade or not supported by evidence or that they know to be inaccurate
- A teacher deliberately and inappropriately disregarding the centre's published policy when determining grades or breaches of internal security
- A teacher deliberately providing inappropriate levels of support before or during an assessment, including deliberate disclosure of mark schemes and assessment materials, to support an inflated grade
- A teacher intentionally submitting inflated grades
- A failure to retain evidence used in the determination of grades in accordance with the JCQ Grading guidance or failure to keep appropriate records of decisions made and teacher assessed grades
- A systemic failure to follow the centre's policy in relation to the application of Access Arrangements or Special Consideration arrangements for students in relation to assessments used to determine grades
- A failure to appropriately authenticate student's work
- A failure to appropriately manage Conflicts of Interest within a centre

- A Head of Centre's failure to submit the required declaration when submitting their grades
- Grades being released to students (or their parents/carers) before the issue of results
- Failure to cooperate with an awarding body's quality assurance, appeal or investigation process
- Failure to conduct a centre review or submit an appeal when requested to do so by a student

A report will be submitted by completing the appropriate documentation as guided by the individual awarding body concerned, including the form [JCQ M2 Notification of suspected malpractice / maladministration involving centre staff](#).

- This form must be completed by the head of centre before an investigation commences to notify an awarding body of an instance of alleged, suspected or actual malpractice or maladministration
- The form must be completed and submitted to the appropriate awarding body immediately a suspicion is raised or an allegation received

All staff have a professional duty to ensure that they uphold this policy
