

YUBO

We would like to make parents/carers aware of advice concerning **Yubo** (formerly Yellow), the social media application which has been commonly labelled as 'Tinder for Teens'.

We have been provided by **The National Online Safety Team** with a guide which informs parents/carers about the dangers associated with the platform and how they can reduce the associated risks, including, but not limited to: Bullying, Low Self Esteem, 'Going Live' and Location Features.

Please follow the link to the guide here:
